All of us at the British Columbia Cancer Agency, Fraser Valley Centre recognize the importance of providing the highest standard of care, treatment and service.

We also believe in providing a high quality work environment for our staff.

We are constantly evaluating our performance.

Did we meet your needs? Your concerns? Your expectations? Did we fall short or exceed in some areas?

If you have any suggestions or comments please let us know.

The quality of the care we provide to our patients and the work environment for our staff is what really counts.

**We value your comments and suggestions. Please take a moment to write your comments on this folder, place it in the box provided, or return it by mail. All replies will be given personal attention.**
