

### General Practitioners in Oncology by Community

(Includes GPO trainees, graduates of the Network’s GPO Education Program and all BC Cancer GPOs)

At present, 153 GPOs from 33 different communities have completed the GPO Education Program and are actively practising in BC and the Yukon. Fourteen (\*) are in the process of completing the program and 9 have been practising since before the program began in 2004 or come to the role with equivalent experience. In total, there are 153 GPOs practising in BC and the Yukon at present.
