<input type="radio"/>	<input type="radio"/>
Does patient require an interpreter? Language: _____	

INSTRUCTIONS:

- Submit this referral form, summary of treatment to date and other relevant clinical notes to the BC Cancer Provincial Virtual Oncology Nursing Team at OutOfProv-CountryReferrals@bccancer.bc.ca.
 - To be eligible for CAR T-cell therapy, patient MUST have ECOG 0-2 and, if needed, be able to travel to an out- of-province CAR T-cell treatment centre.
- Please ensure cardiac function testing (echo or MUGA), hepatitis B/C and HIV serology are performed.
- The BC Cancer Provincial Virtual Oncology Nursing Team will notify referring physicians of approvals and denials. For questions or to obtain/submit documents, contact OutOfProv-CountryReferrals@bccancer.bc.ca

In the event that there is no capacity within BC and the wait at other Canadian sites is clinically unacceptable, Out of Country options, such as Fred Hutchinson in Seattle, can be explored. For more information contact: OutOfProv-CountryReferrals@bccancer.bc.ca.
